

Creator of stars

Creator of stars in the darkness blazin': Hallelujah!
The Son has come to the city of David. Hallelujah!
And can't you just hear the angels praisin'? Hallelujah!
Emmanuel; Baruch Haba HaShem... Adonai!

*Hosanna, Hosanna,
Glory in the highest,
Peace for all the world.
Hosanna, Hosanna,
King of the universe.*

He said... Come to me all you who labour. Hallelujah!
Give glory to God, show love to your neighbour. Hallelujah!
And if you wanna be a wise man, seek out the Saviour. Hallelujah!
Emmanuel; Baruch Haba HaShem... Adonai!

*Hosanna, Hosanna,
Glory in the highest,
Peace for all the world.
Hosanna, Hosanna,
King of the universe.*

The Son of God, the true Messiah, Hallelujah!
They lifted him high but he rose much higher. Hallelujah!
And gave us his spirit with tongues of fire, Hallelujah!
Emmanuel; Baruch Haba HaShem... Adonai!
